## WELCOME TO DRC

If you are a medical distributor or a medical manufacturer and need help in the Saudi market, DRC is your best choice. It's an authorized representative which acts as a communication channel between manufacturers and SFDA. DRC offers the regulatory affairs services for the local distributor/s and legal manufacturer/s with Saudi Food & Drug Authority (SFDA). Since 2017, we established our professional team who are capable of accomplishing the registration promptly, professionally, and confidentially.

# ABOUT US

## TEAM

DRC is driven by its people. Our team will be an extension of yours. We will do everything with our core values of honesty, hard work and trust.

## SOLUTIONS

With the help of our professional team, we provide wide spectrum of corporate services at one stop. We wish to establish DRC as a destination where all paths in hunt for Saudi FDA compliance and distributors search solutions end.

## KNOW HOW

Our ability to understand, embrace and operate in the Saudi market is critical to our business success and long-term sustainability. As a firm, we invest in the power of knowledge. We research, study, and analyze to provide our client with the most efficient services and define who we are as a professional services firm.

## PARTNERSHIP

We do not view our relationships through the lens of a project but rather dedicate ourselves to our client's overall success. We value meaningful collaboration and enjoy exploring possibilities for the future.

## OUR MISSION

Our mission is to be the trusted advisor to our clients. We will work to ensure that we provide the right resources at the right time to maximize our clients business potential.

## OUR VISION

Our vision is to be once a partner and forever a partner. We aim to be recognized as an impactful, innovative and efficient partner.

## MEDICAL DEVICES / IVD

DRC is a licensed Authorized Representative. According to the Saudi FDA regulations, overseas medical manufacturers must appoint a local Authorized Representative. The Authorized Representative will act as a communication channel between the manufacturer and the Saudi FDA.

In addition, DRC provides regulatory consultation to overseas medical manufacturers to grant the Saudi FDA approvals for their products.

DRC services in Medical & Non-Medical Devices/IVDs include but not limited to:

- Professional authorized representative company with Saudi FDA "AR".
- Low Risk registration.
- Medical Device Marketing Authorization "MDMA".
- Medical Device Importing License "MDIL".
- National Center For Medical Devices Reporting "NCMDR".
- Product Classification System "PCS".

## SERVICES

### COSMETICS

DRC services in Cosmetics includes but not limited to:

- New manufacturer initial approval.
- New manufacturer license request.
- Update of manufacturer license request.
- Update of manufacturer location/Physical Address.
- Update of manufacturer ownership.
- Obtain Cosmetics Approval.

## SERVICES

### DISTRIBUTERS SEARCH

New market is a risk. So, the right local partner is almost a must. DRC database contains more than 500 distributors contacts in Saudi Arabia. This privilege allows DRC to assist overseas manufacturers to choose a qualified local partner with the required experience and reputation in your Medical device category.
